Action Taken Report

(Based on Employer feedback Report)

Sr No	Observation	Action taken by the committee
1.	Institute makes sufficient efforts for betterment of Students' communication skills and personality as per the syllabi- With regard to the satisfaction regarding the communication skills of our students, 42.9% considered the performance to be excellent, 14.3% rated it to be very good, 28.6% rated it to be good, and 14.3% rated it to be average. 14.3% employers remarked that the employers' performance was very good and the same percentage indicated it to be unsatisfactory.	The committee observed that in majority of the cases our students have succeeded in keeping their performance up to the expectation of employer. However, the chairman of committee advised to all department head to make extra classes of PDP (Personality Development Program).
2.	Institute makes enough provisions for students to learn practical solution to workplace problems while delivering the curriculum- As per the data received, 14.3% recruiters rated this characteristics to be excellent of our students, 42.3% rated it to be very good, and the same percentage indicated it to be good.	With reference to the practical knowledge of students, employers given 14.3% for excellent. So, the committee advised to all HoDs to instruct their department faculty to do more focus on practical or case studies.
3.	The syllabus of course at IHMS develops ability of planning and organization skills- It was observed that 14.3% employers considered the syllabus of course excellent, 57.1 % of employers considered as very good, and 28.6 % employers considered as good.	The Chairman had suggested to all HoDs to create and perform more CSR activity to increase the planning and organization skills among students.
4.	Institute gives enough chance to develop leadership qualities- For this point, 42.9 % employers has given excellent, 14.3% employers given as very good, and 42.9% employers given as good.	To develop the leadership quality, Chairman suggested to all class teachers to make an activity that will completely organize by students. Teacher will keep watching as observer.
5.	Techniques of curriculum delivery inculcate innovativeness and creativity in the students- 42.9% of employers had given as good, 28.6% of employers marked as very good and 42.9% employers are marked as good.	Since maximum no of employers had marked as good but still Chairman has suggested to all faculty members to do more focus on final year project and try to make it creative and innovative.
